

****IMPORTANT****

In an ongoing and evolving effort to protect our patients and staff, River Radiology will be making the following change:

WE WILL REMAIN OPEN however, effective immediately all patients arriving for their appointment will remain in the parking lot in their vehicles while a staff member greets them. The patient will then be notified when to enter our facility. At this time only the patient will be permitted in the building. We appreciate your understanding while we do all we can to keep everyone safe during this difficult time. If you have any questions please call (845) 340-4500.
