

Our mission at River Radiology is to provide the highest quality diagnostic imaging and patient care in the Hudson Valley.

We seek to provide each patient, referring healthcare provider and coworker with compassion and respect.

We are committed to delivering accurate and timely exams/reports. We strive to improve our service and grow through continuing education, training and careful evaluation of the latest technology.

We are committed to excellence.

Imaging Excellence, Individual Care

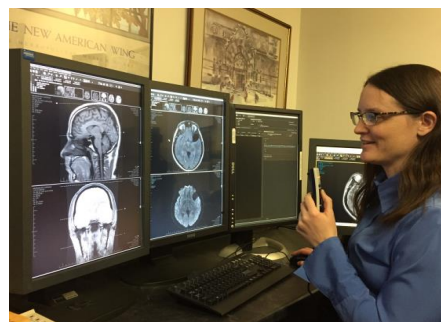

RIVER RADIOLOGY has been your choice in the Hudson Valley for over 45 years. You have the right to decide where to go for your imaging needs.

MEET THE RADIOLOGISTS

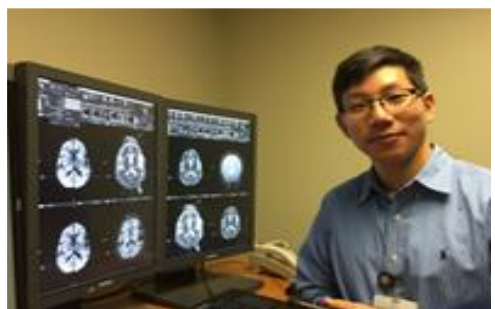

Steven Schwartz, M.D. is a longtime resident of the Hudson Valley where he and his wife raised their 2 children. Dr. Schwartz enjoys skiing in his spare time.

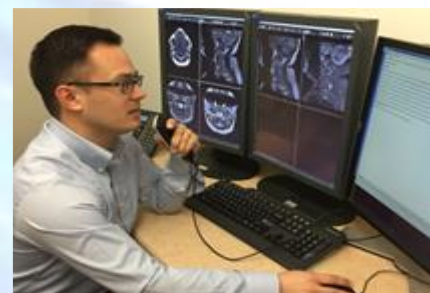

Medical Director (pictured on front)
Jaime Parent, M.D. lives in Kingston with her husband and 2 young sons who keep her busy.

James Canoy, M.D. is board certified and fellowship trained in Neuroradiology. He resides in Ulster County with his family and enjoys hiking in the Catskills.

James Lim, M.D. lives in Kingston and enjoys spending time with his family and playing golf in his spare time.

Britton Chan, M.D. is a long time resident of the Hudson Valley. In his spare time he enjoys skiing, playing soccer and spending time with his family.
